Keeping scheduled appointments is necessary for your medical care, and appropriately cancelling appointments in a timely manner assists us in providing optimal care for all of our patients.

- **Missed APPOINTMENTS without providing 24 hour notice will result in a $50 "NO SHOW" fee. This fee is NOT reimbursed by insurance companies.**
- **Missed PROCEDURES without providing 24 hour notice will result in a $100 "NO SHOW" fee. This fee is NOT reimbursed by insurance companies.**
- **Dismissal from the practice as a patient, may result from repeated "NO SHOWs" for scheduled appointments and/or procedures without providing sufficient notice.**

I have read and understand the above guidelines regarding missed scheduled appointments without providing 24 hour notification. I understand that I will be responsible for the applicable, assessed fee as stated above.
